Sir:

I, Luiz Carlos Silva, declares that:

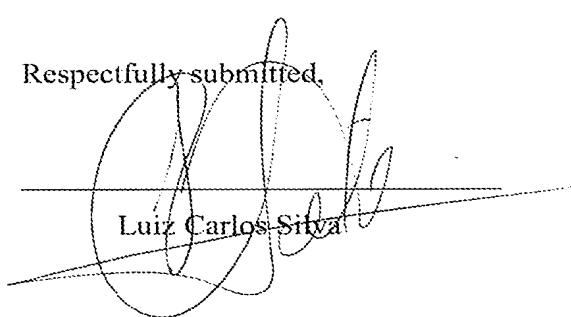

1. I am a co-inventor of and am familiar with the present United States Patent Application Serial No. 10/587,627 filed on September 4, 2007, entitled "Press Section and Permeable Belt in a Paper Machine" (hereinafter '627 Application), as well as United States Patent Application Serial No. 10/768,423 filed on January 30, 2004, entitled "Paper Machine Dewatering System" published as US Patent Application Publication No. US 2005/0167061 (hereinafter '423 Application).

2. Any invention claimed in the present '627 Application that was disclosed in the '423 Application was derived from the inventors of this present application and that the '423 Application does not represent the disclosure of an invention by another.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
